PRESIDENT'S MESSAGE

Classmates,

The knowledge that we have gained during our four years at Dover High School has shaped our lives in many different ways.

We have developed both mentally and physically as individual characters, and we are ready to face new concepts of life.

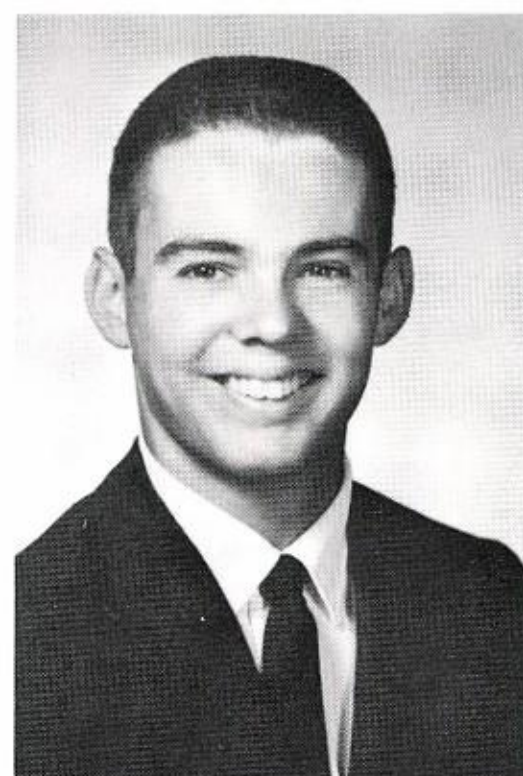

We have fond memories, but we must explore the many new worlds opened up for us. No longer can we think about the future; we must meet it.

As we enter the competitive world we will use our education as a foundation for our future goals in the hope of forming a new and better tomorrow.

A night we'll always remember.

The announcement of the queen.

The royal dance.

POST PROM

Plenty to eat

The Chaperones

Everyone had a great time.

Even the food was good.

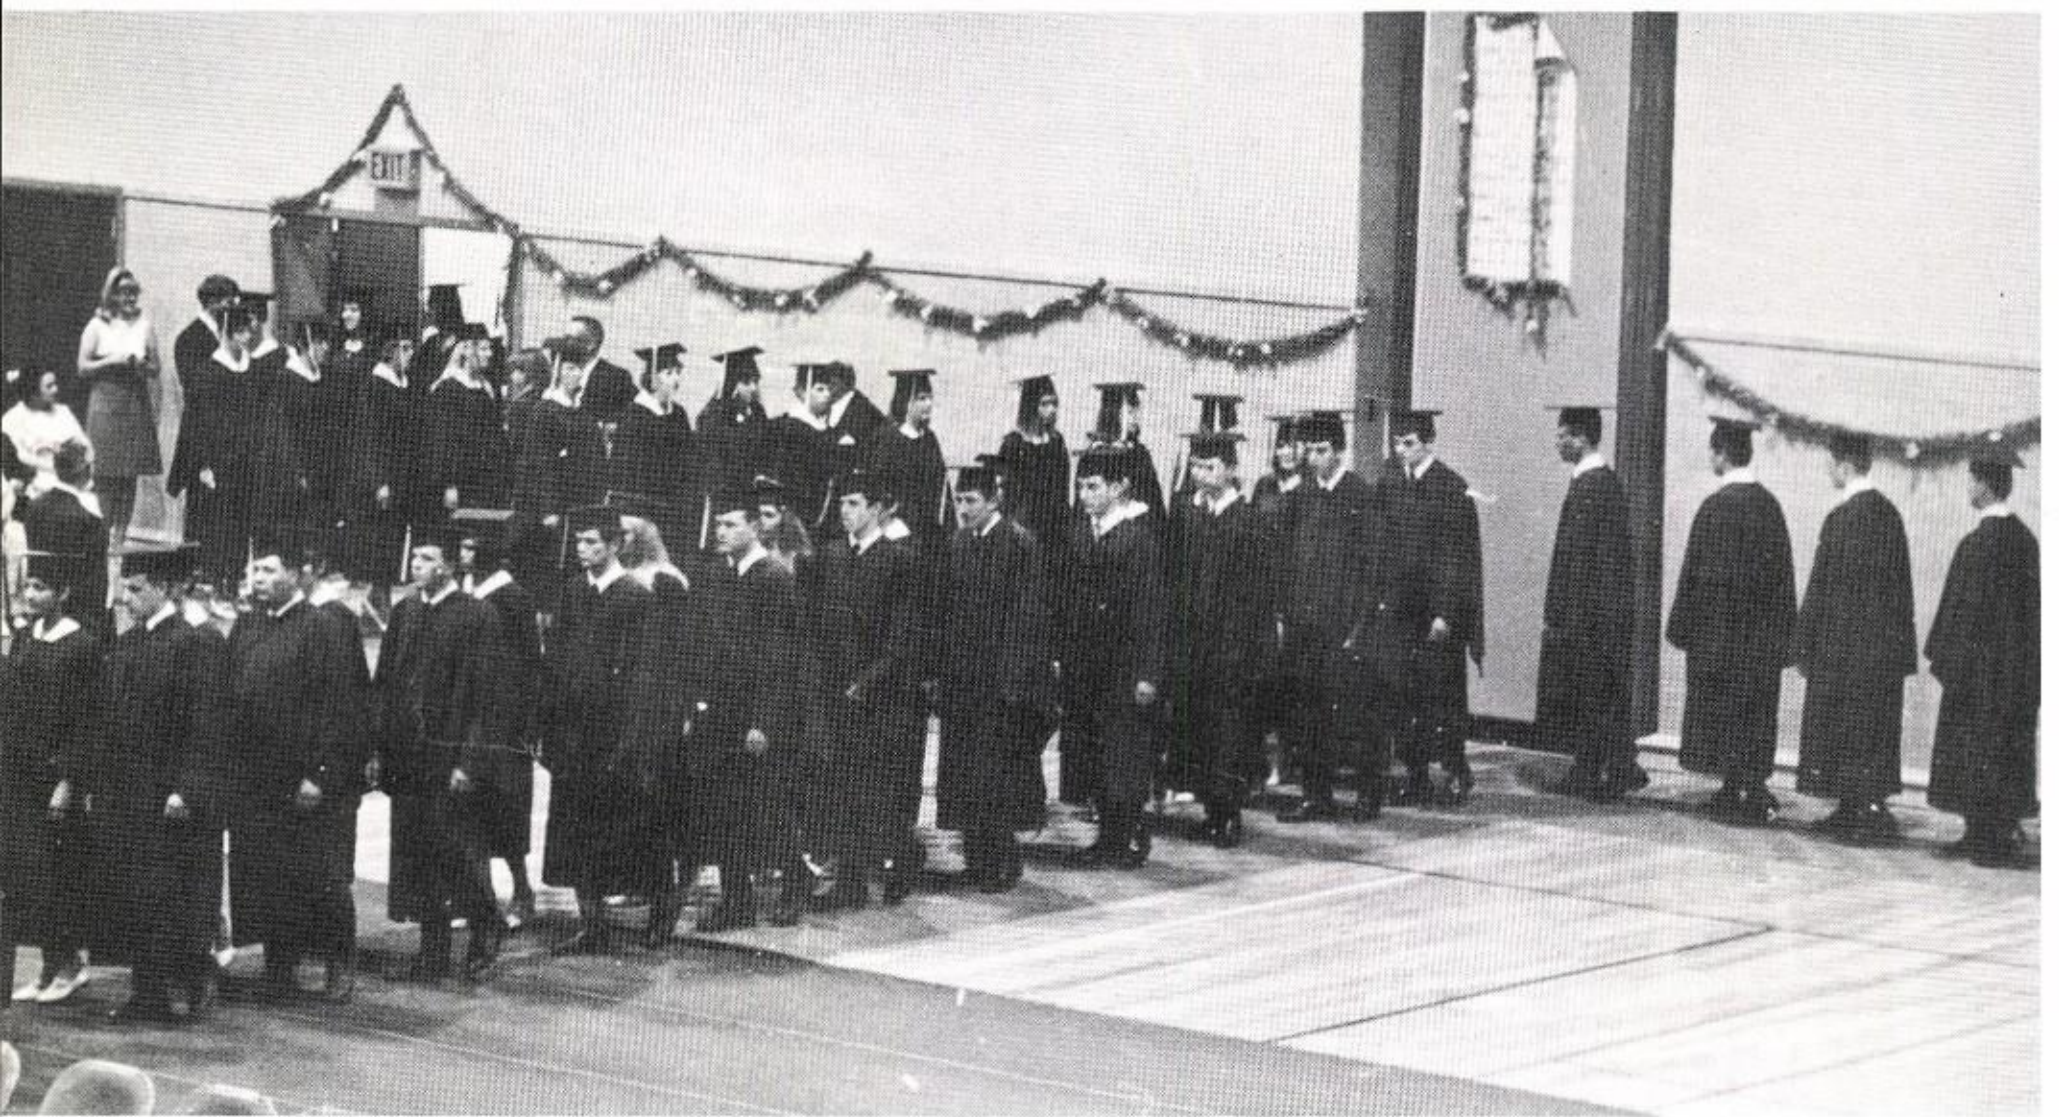

Hangin' in.

We will cherish this moment for years to come.
